RECORD

Two or three sentences on where you have been and what you are good at. This paragraph is the one piece of prose a reader is likely to finish, so make it count rather than listing everything.

A second sentence that gives the reader a reason to trust the claims above it — scale, a hard problem you solved, or a thing you shipped that people actually use.

EXPERIENCE

PLACEHOLDER Role Title · PLACEHOLDER Organisation

Mar 2024 – Present

PLACEHOLDER City · 2 yrs

PLACEHOLDER — two or three sentences on the scope of the role and the problem you owned.

- PLACEHOLDER outcome with a real number attached. Every figure here is a placeholder — replace with a measured one or delete the sentence.
- PLACEHOLDER second outcome, phrased as what changed rather than what you did.
- PLACEHOLDER third outcome.
